

# Zoey Crawford

My name is Zoey Crawford and I am a business marketing major. I am 19 years old and I am currently a sophomore at Nevada. I am a part of a sorority here on campus and it is opening up amazing opportunities for my future. After college I want to open my own business of some sort.

I have good technical background, after taking IS101 I got very comfortable with using excel and creating spreadsheets. I have been using computers/laptops for years and feel very comfortable. I love to use Canva and Word to create my projects and other pieces of work.

In my free time I love to travel and hangout with my friends. I love going to dinners and creating memories with the people I love! I grew up in Reno, NV so I love spending time at Lake Tahoe, I have been snowboarding for years and love going to Mt. Rose in the winter. I love listening to country music and concerts are my absolute favorite thing to attend. I love having a great time and strive for happiness and positivity.
